

# Year 1

## Home Challenge!

Our theme this half term is **'Out and About!'** Our theme is based on learning and exploring our local area, finding out about where we live. We will learn about different types of homes and develop some early map skills by looking at street maps and drawing simple maps. The children will also be exploring the traditional tale of The Gingerbread Man. We would love for you to get involved. Please have a look at our ideas or you may come up with your own.

- Use and explore Google Maps (safely with an adult) to have a look at where you live using the street view
- Make a simple map of your route to school. What do you see on the way? Can you draw the 'street furniture' on your map e.g. a post box
- Have a look at the outside of your home and complete an observational drawing of your home
- Make a model of your home.
- Follow a recipe and make some gingerbread men

**DON'T FORGET!**

Please bring in any lovely work you do at home and share with your class or put it up on your ClassDojo Platform 😊
