Mrs Bryant
EYFS Lead

Mrs Snashall
Seahorse Class

Mrs Brooks
Starfish Class

Miss Garret
Nursery Assistant

Mrs Kadir
Nursery Assistant

Miss Bobin
Nursery Assistant

Mrs Taylor
Nursery Assistant

Miss Lewin
Nursery Assistant

Miss Linay
Apprentice
Nursery Assistant

Early Years Vision

Relationships – our children developing strong relationships with adults and their peers.

Oracy: Speech and Language development – we want our children to be confident and clear communicators. Speech and vocabulary development play an important role in future learning success.

Independence – we aim for all our children to become confident and independent learners.

Self-regulation – we want all our children to be able to self-regulate their own behaviour, knowing how to behave in different situations and being able to deal with conflicts appropriately.

Reading – is the key to future success and is paramount across all areas of the curriculum.

Physical development – developing both gross and fine motor skills, as the building blocks for future success in handwriting as well as writing attainment.

Enrichment - providing our children with other opportunities that they may not otherwise experience.

Parents/Carers – play a vital role in their child's education. We aim to work closely with all our parents, sharing learning experiences and how we teach in school so that parents feel supported and confident in continuing learning at home.

EYFS Curriculum

Our EYFS curriculum will:

- Promote and model our **'WE CARE'** values
- Develop the children's language and oracy skills to allow them to communicate effectively
- Deliver a meaningful and flexible curriculum through exciting themes and books to excite and engage our learners
- Meet the needs of all our children through a nurturing and inclusive approach
- Provide an engaging and safe environment for the children to learn
- Provide a variety of engaging enrichment opportunities
- Develop collaborative and independent skills

Early Years Statutory Framework

We work from The Early Years Foundation Stage (EYFS) curriculum 2021 alongside the Development Matters 2021 document. There are seven areas of learning and development:

Prime Areas

- Personal, social and emotional development
- Physical development
- Communication and language development

Specific Areas

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

Each area of learning to spilt into Early Learning Goals, which the children are assessed against at the end of the Reception year.

The characteristics of effective teaching and learning

Playing and exploring – children investigate and experience things, and have a go.

Active learning – children concentrate and keep on trying if they encounter difficulties, and enjoy achievements.

Creating and thinking critically – children have and develop their own ideas, make links between ideas, and develop strategies for doing things.

Our Themes This Year

- Journeys
- Lights and Sounds
- Once upon a time
- Out of this world ..
- Around the world
- Superheroes

Curriculum Theme Letter

This half-term our theme will be Journeys

Week 1: Starting Nursery

Key Text – Meekoo and the Little Nursery
During this first week at Nursery, we will all be getting to know each other and the children will be learning the nursery routines.

Week 2+3: Pirates

Key Texts – Ten Little Pirates and Pirates Love Underpants
Over two weeks we will be learning about Pirates and boats, we will be listening to the sounds of the sea, balancing on beams, naming different types of weather and learning to build and draw boats.

Week 4: Buses

Key Text: Dino's on the bus
This week we will start to learn about different land vehicles. We will learn about buses by making bus tickets and counting the dinosaurs on the bus.

Week 5: Trains

Key Text: The Train Ride
We will be learning all about trains this week and building a train by cutting out shapes and sticking them together.

Week 6: Tractors

Key Text – I'm the Tractor Driver
We continue to learn about different modes of transport with a focus on tractors. We will be listening to and naming different transport sounds as well as building tractors and farms.

Week 7: Bear Hunt

Key Text – We're going on a Bear Hunt
This week we will be learning the story 'We're going on a bear hunt'. We will listen carefully to different sounds, trying to name them and making our own animal sounds.

PSHE

This half-term will have a strong focus on getting to know each other and making new friendships, there will be lots of opportunities for the children to make new friends. We will be introducing the children to the nursery routines such as self-registration, snack time, carpet time as well as tidy up time.

We will also learn how to look after the different toys and resources in the classroom.

Our PSHE carpet sessions will focus on families and friendships and safe relationships. We will be talking about our family, different feelings and emotions, saying no and sharing and taking turns.

Focus Nursery Rhymes

- Week 2:** Baa Baa Black Sheep
- Week 3:** Row, Row, Row Your Boat
- Week 4:** The Wheels on the Bus
- Week 5:** Twinkle, Twinkle
- Week 6:** Wind the Bobbin Up
- Week 7:** Recap and Review

Literacy

We will be starting our daily carpet sessions. During these sessions we will be sharing lots of different story books and learning the importance of good listening and how to be a good listener. We will be learning to answer questions about the books using full sentences. We will be listening to lots of different sounds, learning to identify and name the different sounds we can hear.

Handwriting

During our handwriting sessions, we will be getting our bodies ready to write through lots of gross and fine motor activities that will strengthen our muscles and develop our co-ordination. We will explore different mark making equipment to draw lines and shapes.

Oracy

This half-term we will be focusing on two aspects of oracy:

Physical: watching a familiar adults face when they are talking or singing.

Social and Emotional: Expressing my needs clearly to a familiar adult through my voice or gestures.

Storytime

Every day the children will enjoy storytime with their teacher. Listening to stories helps young children to build an extensive vocabulary as well as learn to love books and reading. Each week your child will bring home a book of their choice. Please spend time sharing this book as well as other books you have at home.

Science – Humans, Animals and Plants

Humans – My Body, How I have changed.
Animals and Plants – Care and respect, using our senses to explore, names of animals and plants in the school environment.

Geography – My Home and School

Knowing which type of home I live in, describing my home, places in my local area, using my senses to explore the school grounds

RE – Being Special

Being special: where do we belong? (Christians and Muslims)

Computing - Technology

Technology in school and at home: Using technology in role play.

Art - Self-portraits

Holding a pencil and paintbrush, drawing lines and shapes to represent my body and face,

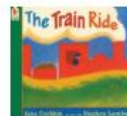

DT - Materials and Structures

Stacking blocks, joining materials with glue and masking tape, using stickers to decorate

Music - Singing

Joining in with songs and rhymes, adding actions to words.

AUTUMN TERM 1 JOURNEYS

Maths

We will be starting our daily Maths Meetings where we will be introducing the children to some songs such as 'We love Maths', 'Days of the week' and 'What's the weather.' Each day we will be recapping basic concepts such as counting forwards and backwards and naming shapes.

During our Maths lessons we will be learning to count verbally to 5, represent quantities on our fingers, subitise numbers to 3 (know how many objects there are without counting) and begin to count objects accurately.

How to help:

- Practise counting forwards and backwards to 5.
- Show fingers when a number is called out.
- Say how many objects there are without counting them (up to 3).
- Count objects accurately.

How to help at home:

Each week your child will bring home a sharing book. Spend time reading this book to your child and talking about what you have read.

Spend time singing nursery rhymes and different songs. Each week we will have a song of the week.

Listen to different sounds in the environment. Can your child identify and name the sound they can hear?

Visit your local library and borrow books for daily storytimes at home.

UPCOMING EVENTS

Outdoor Learning:

Week Beginning: 27th September 2024

Week Beginning: 14th October 2024

Nursery Curriculum Meeting: Thursday 12th September 8.40am or 2.30pm

Healthy Schools Workshop: Tuesday 17th September 9am or 2.15pm

The Nursery Day

Nursery Morning/ Afternoon Timetable

Funky Fingers Activities and Self-Registration

Maths or Theme Carpet Session

Continuous Provision (Garden Open)

Snack and Story Time

Continuous Provision (Garden Open)

Theme Carpet Session

Home Time

Theme based sessions: PSHE, RE, science, geography, history, art, DT, music,

Outdoor Learning one day every three weeks

Continuous Provision

Activities planned and set up.

Children choose activities. Free flow between classroom and garden.

At times children may be guided towards a certain activity.

During this time the adults work with the children in small groups, on a 1:1 basis or join the children in their play.

Outdoor learning

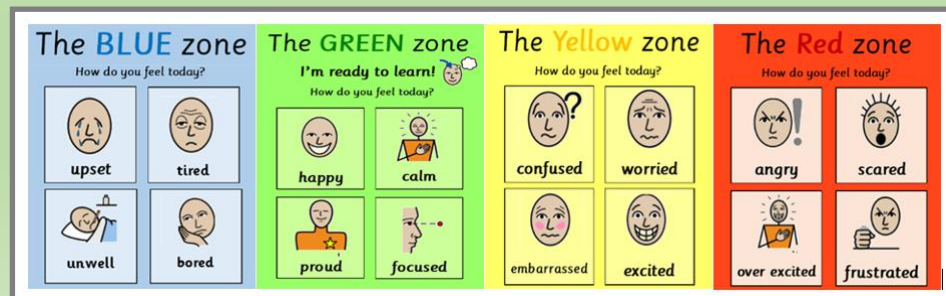

- Every three weeks
- Old, weather appropriate clothing.

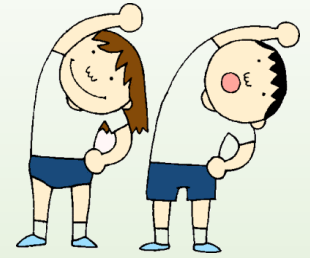

Personal, Social and Emotional Development

- Prime area of the curriculum
- Early Learning Goals:
 - Building relationships
 - Managing self
 - Self-regulation
- Throughout the day
- Discrete sessions several times a term.

Physical Development

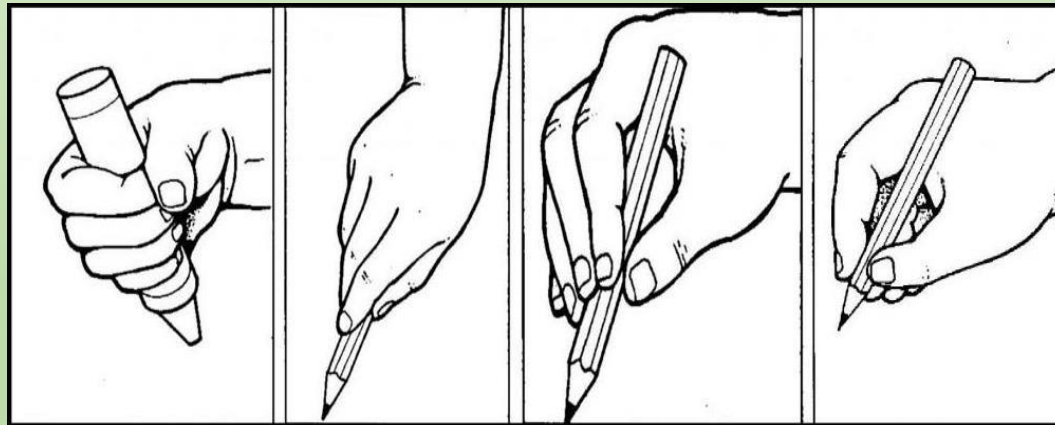

- Prime area of learning
- Early Learning Goals:
 - Fine motor skills
 - Gross motor skills
- Developing these skills are crucial to ensuring future success in handwriting and writing.
- Funky Fingers sessions at the beginning of every session.
- Gross and fine motor activities and resources available throughout the day

Handwriting

- Regular handwriting opportunities in the environment.
- Important to develop gross and fine motor skills before learning to write letters.
- Efficient pencil grip promoted and assessed.

Communication and Language: Oracy

Early Learning Goals

- Listening, Attention and Understanding
- Speaking

- Oracy is ability to articulate ideas, develop understanding and engage with others through spoken language.

- Oracy is learning to talk and learning through talk.

- Listening and attention impact on communication and academic success.

- Good listening if taught, modelled and reinforced.

- Talk routines used daily using our talk guidelines.

All children are encouraged:

- Speak in full sentences in all lessons
- Use stem sentences to support their sentence structure
- Use subject specific vocabulary

Hamstel's Talk Guidelines

Learning Partners

Show we are listening:

Knees to knees

Eyes to eyes

Listening ears

Thinking Time

Take Turns:

Partner 1/ Partner 2

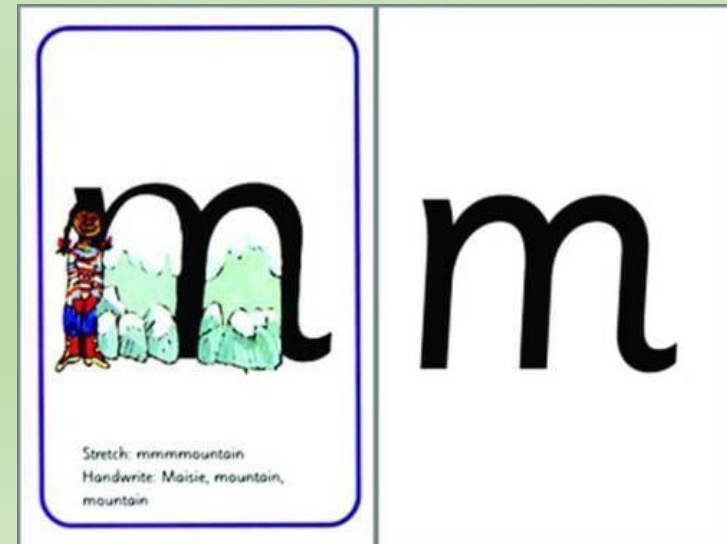

Wait for your partner to finish

Literacy: Word Reading

Building blocks for reading are taught in Nursery:

- Hearing and naming sounds
- Spotting words that rhyme
- Recognising words with the same initial sound
- Clapping syllables in words
- Suggesting a matching rhyming word
- Identify an object from hearing the sounds (orally segmented)
- Saying the initial sound in a word
- Naming the pictures on Set 1 sounds cards
- Orally blend sounds into words
- Orally segments words into sounds
- Learning the first 16 set 1 single sounds

Literacy: Comprehension

Comprehension skills are taught every day in Reception through:

- Our key text for the week
- Daily story times
- Role play
- Questioning
- Following instructions

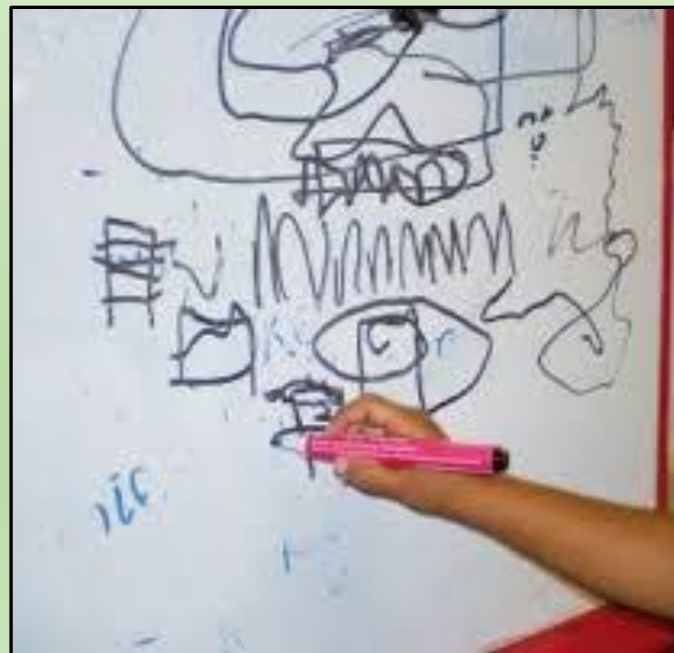

Literacy: Writing

In Nursery, we focus on the pre-requisite skills needed for writing:

- Gross and fine motor skills
- Handwriting development
- Oracy: Communication and language development

Writing opportunities in the classroom and the learning garden.

Maths

Early Learning Goals:

- Number
- Numerical Pattern

Key Skills:

- Count to 10
- Subitise to 5 (know how many there are without counting)
- Show the correct number of fingers for numbers to 5
- Count objects to 10
- Recognise numerals to 7
- Order numbers to 7
- Accurately count objects to 10
- Count backwards from 12
- Know there are more, fewer or equal amounts
- Match objects into pairs
- Sort objects into two groups

Shape, Space and Measure

- Patterns
- Circles and Triangles
- Shapes with 4 sides
- Mass and capacity
- Length, height and time
- 2D and 3D shapes

Theme based sessions

Weekly book to match our theme and engage the children.

Vocabulary based lessons.

Talk based lessons.

Other curriculum subjects –
PSHE, history, geography, science,
RE, music, art, DT

Tapestry

- Each child will have their own Tapestry account.
- We will record some of your child's learning at school.
- Please add home learning to Tapestry.

Home Learning in Nursery

Sharing Book – each week your child will choose a book to take home. This is a sharing book for you to enjoy reading to your child.

RWI Virtual Classroom – QR codes sent home to access Ruth Miskin Virtual Classroom videos.

KIRF's – each term a KIRF (Key Instant Recall Fact) will be sent home. These are mental maths challenges for your child to practise at home.

Enjoy reading to your child on a daily basis. Storytimes are an enjoyable time and will help to develop your child's speech, vocabulary and understanding of stories.

Communication

- Parentmail for key updates and year group letters
- Weekly whole school newsletters
- Half termly Curriculum Overviews
- Notices of any changes in the classroom windows
- Facebook
- Tapestry
- Parent workshops and events

DATE	EVENT	DESCRIPTION
Weekly	Toast and toppings	Every child will have the opportunity throughout the term to developing their skills to spread butter and a topping of their choice.
Thursday 12th September 8.40am <u>or</u> 2.30pm	Nursery Curriculum Meeting for Parents	An information meeting for parents about the Nursery curriculum, what a day looks like in Nursery and expectations in Nursery.
Tuesday 17th September 9am <u>or</u> 2.15pm	Healthy Schools Workshop for parents and children	An opportunity for you and your child to learn about healthy lifestyles and how we are promoting a healthy school.
Week beginning: 23rd September	Multicultural Week Food Tasting	The children will have the opportunity to taste some food from a different country during the week.
HALF TERM		
Tuesday 12th November	Odd Socks Day	Celebrate individuality and what makes us unique by wearing odd socks to school to mark the start of Anti-Bullying Week.
Friday 15th November 11.15am or 2.45pm	Share a book open door	Come into class to share a book with your child.
Wednesday 27th November 3pm – 4.30pm	Christmas Fair	All parents and children are welcome to our yearly Christmas Fair.
Thursday 12th December	Christmas Jumper Day	Come to school wearing your favourite Christmas Jumper.
Wednesday 11th December 2.15pm Thursday 12th December 9am	Nursery Nativity Performance For parents and relatives	Nursery Nativity performance to grown-ups.

Please do feel free to ask any questions.

Thank you for coming.
