Dear Parent/Carer,

Ordering Photos from Tempest.

If your child was in school or nursery on the day our Tempest photographers visited, your child's individual photograph proofs are being sent home this week.

You will notice a difference to the order form with all proofs having a personal QR code for you to scan and navigate to the Tempest website page.

If you have any issues using the QR code please go straight to their website www.tempest-orders.co.uk and when prompted enter the reference number shown on the photo proof.

Tempest have lots of special offers via online ordering, including special priced packs, ie. £10.00 pack in colour or B&W, a mixed pack including individual and sibling shots and Christmas items etc.

From here you can place your orders online. Order within the next two weeks for free delivery to the school. Alternatively, you can add the cost of postage to your order and have your photograph shipped to your home address directly.

Sibling Group Photos If you came along with your children for a sibling group photo these proofs are also being sent home today, please order in the same way as for the individual photos.

Unfortunately, due to strict deadlines Tempest are unable to accept any late orders for the free school delivery. If you miss the deadline, **Thursday 5th December**, you can still order, but will need to arrange delivery to your home address and postage costs will be applied.

If you have any questions, please do not hesitate to contact the school office.

Kind regards,

Hamstel Infant School and Nursery
