Dear Parents and Carers,

Tempest School Photographs.

We are pleased to confirm that Tempest Photography will be in school on **Tuesday 5th November**, which is our first day back after the half-term break. Photographs are taken throughout the school day so please ensure that your child is in their full school uniform.

*Where possible, children will be photographed before they go to their Outdoor Learning or PE lessons. Children should still come to school dressed for their PE or Outdoor lesson but with **full uniform on the top half** and PE kit/Outdoor Learning etc on the bottom half, thank you.*

Tempest Photography will take an individual photograph of every child in school on this date.

Your child's proof will not come home to you on the same day the photograph is taken, but will be sent to us directly from the lab. These will be sent home with your child as soon as they are received, with full details of the package prices and ordering process.

In addition to individual photographs, we are pleased to be able to offer a session for sibling photographs. This session will take place in the Infant Hall after school, starting at 3.15pm. Sibling groups will be photographed on a first come basis. You are welcome to bring older siblings who attend Hamstel Junior School or younger pre-schoolers but please ensure they stay with you and they remain your responsibility while on the premises. Prams, buggies, scooters or bikes must stay outside of the hall and can be left under the canopy. By having sibling group photographs taken at the end of the school day we hope to accommodate as many families as possible without affecting the school day.

Kind regards,

Hamstel Infant School
