

YEAR 2 EVENTS SPRING TERM 2025

Below outlines some of the key events we have planned for Year 2 during the Spring term 2025. The grid is broken down showing dates, events and a brief description of what the event is and if there is a contribution to the cost. The events that have a cost next to them we will ask for that contribution nearer to the event to support it going ahead.

We understand that you may not be able to attend all parent/carer events, but by providing this key information now, we hope it will help you plan ahead of the events you are invited to. **More information about these events will be shared with you nearer the time.**

Thank you for your continued support.
