BOOK WEEK COMPETITION

This is a reminder that this week we are still celebrating our love for books at Hamstel via a virtual Book Week with activities and stories shared on Seesaw. We would love everyone to join in with our competition to make a story spoon character from a favourite story book. Once you have made a story spoon character, please upload a photo into your Seesaw journal for your child's teacher to see. Please can we have all entries in by Monday 8th March. Winners from each year group will then be chosen and those children will receive a prize that will be given out in school.

Here are a few ideas:

Thank you for your continued support.
