

Fire! Fire! Home Challenges

Our theme for this half term is 'Fire! Fire!' we will be learning about The Great Fire of London and the famous diary of Samuel Pepys. We will be exploring our capital city London. We would really like you to get involved at home, here are some ideas:

- Use a digital map – for example Google Maps to explore different areas of London.
- Learn more about the Great Fire of London through the Museum of London <https://www.museumoflondon.org.uk/museum-london/great-fire>
- Draw a simple map of London and add famous landmarks
- Create your own fiery scene using some craft materials you have at home
- Build a model of a famous building in London e.g. the Monument or Big Ben

We look forward to seeing any learning you do at home. Please bring any home learning into school or share on your Dojo account.
