

Friday 4<sup>th</sup> December 2020

Dear Parent/Carer,

On Friday 11<sup>th</sup> December we will all be taking part in the 'Christmas Jumper Santa Dash' around The Daily Mile.

Every child can take part whether they are running, walking, skipping or jumping and will work together as a class to see how many miles they can complete in their allocated time.

This is another exciting way for the children to feel a great sense of achievement in all of their contributions and to be really proud of themselves.

Once every class has finished, as a school, we can record how many miles the children have completed and add these to the grand total. Every mile contributes to see how far we have helped Santa travel to The South Pole and every child will receive a certificate in recognition of their achievement.

I know that all the children really enjoyed taking part in the Mini Marathon and were excited to receive their medals so this will be another opportunity encouraging children to complete as many laps as they can and work together as a class to see how many they can achieve. It will be a fun and exciting day for us all!

Kind regards,
