

Year 1 Maths Workshop

Dear Parents/Carers,

This year we will be holding a Maths Workshop for Year 1 classes on **Wednesday 20th November 2024**. This is a time when we celebrate all of our Maths learning and invite children to take part in various problem-solving activities, link Maths to the outside world and encourage the use of a range of Mathematical resources and equipment.

We are inviting **one** parent/carer to join their child for the Workshop **in the main Infant Hall**.

The session will start with a short presentation on how we teach Maths at Hamstel, followed by the children joining you for around 25 minutes to engage in various Maths-based activities. At the end of the session, the children will have the opportunity to take home resources to support you and them with their Home Learning.

Here are the dates and times:

9.00-9.45		2.30-3.15	
Newt Class	Dragonfly Class	Duck Class	Heron Class

Please enter the school via the Poynings Avenue entrance and make your way to the Infant Hall.

We hope you are able to support your child and come along. If you have a child accessing one of our bases the base staff will discuss this event with you.

Yours sincerely,

Miss Goodman
Maths Lead
