Year 2 PSHE/RSE Lessons

Dear parents/carers,

We would like to notify you of some sensitive content in our upcoming PSHE lessons so that you can discuss this with your child and are prepared for questions that they may ask.

In the week commencing 10th June, in our PSHE lessons we will be exploring the differences between girls and boys. We will begin by discussing the NSPCC Pants are Private rules (see the link for further information):

<https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/>

In these lessons, we will be celebrating our bodies and the things they enable us to do!

In an age-appropriate way, children will be encouraged to notice similarities and celebrate differences between girls and boys. We will also be discussing external body parts (genitalia).

Learning Objectives

Children will know:

- Our bodies are good
- The names of the parts of our bodies
- That girls and boys are similar and different and together make up the richness of the human family
- Children will engage with teacher-led discussions about how girls and boys are both similar and different
- Children will know the names of taught body parts: penis, vulva, testicles, vagina.

Attached are the lesson plans, teaching content and resources for the lessons that we will be covering.

If you have any further questions, please email the school office or speak to the class teacher.

Kind regards,

Mrs V Bryant
Assistant Principal
PSHE lead
